

Freigeist Workshop 2018

Carbon Nanomaterials in Aqueous Environment: From Characterization to Applications

Program Overview (*Oct. 2017*)

Wednesday, Feb. 21st	Thursday, Feb. 22 nd	Friday, Feb. 23 rd
	08.30-09.00 Registration	
	09.00-11.00 Opening and S1: X-ray Characterization Methods	09.00-10.45 S4: Electrochemical Energy Storage and Conversion
	11.00-11.30 Coffee Break	10.45-11.15 Coffee Break
	11.30-13.30 S2: Vibrational Spectroscopy	11.15-12.45 S5: Biomedical Applications
	13.30-15.30 Photo, Lunch Break and Poster Session	12.45-13.30 Lunch Break
		13.30-15.15 S6: Time-resolved Spectroscopy and Electron Dynamics
		15.15 Closing Remarks
	15.30-17.30 S3: Solar Fuels and Photocatalysis	15.30-16.00 Coffee Break
		16.00 Adviser Feedback / BESSY II Tour for Participants
		17.00 End of Workshop
17.00-19.00 Registration		
19.00-21.00 Welcome Reception	19.30 Speakers Dinner
