

Freigeist Workshop 2018

Carbon Nanomaterials in Aqueous Environment: From Characterization to Applications

Program Overview (*Feb. 2018*)

Wednesday, Feb. 21 st	Thursday, Feb. 22 nd	Friday, Feb. 23 rd
	08.30-09.00 Registration	
	09.00-11.00 Opening and S1: X-ray Characterization Methods	09.00-10.30 S4: Solar Fuels
		10.30-11.00 Coffee Break
	11.00-11.30 Coffee Break	11.00-12.30 S5: Biomedical and Nanofluidic Applications
	11.30-13.00 S2: Vibrational Spectroscopy	12.30-13.30 Lunch Break
	13.00-15.00 Photo, Lunch Break and Poster Session	13.30-15.15 S6: Time-resolved Spectroscopy and Electron Dynamics
		15.15 Closing Remarks
	15.00-16.45 S3: Electrochemical Energy Storage and Conversion	15.30-16.00 Coffee Break
		16.00 Adviser Feedback / BESSY II Tour for Participants
17.00-18.00 Registration		17.00 End of Workshop
18.00-19.30 K1 + K2: Carbon Materials for Energy Applications		
19.30-21.00 Welcome Reception	19.30 Speakers Dinner
