advanced master's
students of all
disciplines

Workshop in Potsdam • 07.–08.05.2026 • 9 am – 5 pm FROM PHD TO IMPACT INNOVATOR

How much startup is in your research?

Take your career into your own hands in the Young Entrepreneurs in Science Workshop! Reflect on the impact potential of your research, sharpen your vision, and learn how to communicate it convincingly. Together with other master's students, PhDs and postdocs from all disciplines, you will develop and practise key innovation and pitching skills while expanding your network. Participation grants you a personalised certificate and exclusive access to our online network for scientists.

How to apply

Admission is free and no previous knowledge is required.

Register until 30.04.2026 via the link:

Workshop Programme

Day 1: From Research to Sciencepreneur

Discover what it means to be an entrepreneur, explore your entrepreneurial strengths, and meet our experienced role models, who will share their failures and successes.

Day 2: Innovate for Impact & Pitching

Explore the WHY behind your research using the Golden Circle and identify potential impact areas aligned with the Sustainable Development Goals. Learn how to craft and practise a compelling pitch while receiving feedback from peers and mentors.
