For PhDs,
postdocs &
advanced master's
students of all
disciplines

Online Workshop • 22.04.2026 • 10 am – 12:30 pm YOUR RESEARCH CANVAS

Have you ever thought about the application potential of your own research? If not, this workshop is for you. You will reflect about user groups and the network of stakeholders that surround you and your research. How will your research benefit them? Brainstorm potential use cases and help each other to take your ideas to the next level.

Who we are

Young Entrepreneurs in Science is an interactive workshop programme for master's students, PhDs and postdocs to help you ignite your entrepreneurial spirit! Together with your peers, you will learn methods and skills to realise your innovative potential.

Admission is free and no previous knowledge is required.

Workshop Goals

- Reflect about the potential of your own research topic/idea
- Assess potential through identifying users/stakeholders
- Develop or extend potential use cases based on your research & network
