

idea2action

+++ A Greenhouse for Curious Minds +++

**A three-month programme
for researchers with an early idea.**

Some ideas need time, exchange and new perspectives before there is a clear pathway for taking them further.

idea2action creates that space.

No finished concept.

No business plan.

No predefined destination.

You bring the idea.

You drive its development.

We provide the time, structure, exchange and connections to move it forward.

THREE STEPS. ONE IDEA. YOUR NEXT STEP.

01

SHAPE YOUR IDEA

11 November 2026
ST3AM Adlershof

Clarify the idea, the problem or opportunity behind it, and where it could be relevant.

02

EXPLORE ITS POTENTIAL

9 December 2026
ST3AM Adlershof

Explore possible users, value, barriers, application contexts and pathways.

03

DEFINE YOUR NEXT STEP

20 January 2027
LEAP Adlershof

Bring together what you have learned and define a realistic way forward.

WHO CAN APPLY?

Researchers and research-oriented professionals with an early idea connected to their research, expertise, methods, data, professional experience or observations.

Early and unfinished ideas are explicitly welcome.

Applications can be submitted individually or in teams of up to 3 people.
